WHAT IS A BEQUEST?

A bequest is a gift of money or assets left in a Will.

When considering leaving a gift in your Will there are many ways you can help the gallery and leave this personal gift.

The most common forms of bequest are:

- Gift of cash
- Percentage of your estate
- Residuary gift
- Work of art
- An interest in a trust created in the will.

You can choose to direct your gift towards developing our art collection, or leave a general bequest, allowing Artspace Mackay to direct funds where they are needed most.

Bequests can also be made to honour the memory of a family member or loved one, with their name appearing in appropriate acknowledgment.

YOUR GALLERY BEQUEST AT WORK

Expanding the Collection

Regional collections play an important role in adding to our Australian cultural heritage. Mackay Regional Council's art collection is part of a national network of public collections, and we are proud of the Australia-wide recognition received for our artists book collection. The generosity of donors is critical to build a rich and multi-faceted collection.

Presenting major Exhibitions

Each year, Artspace Mackay presents a dynamic program of exhibitions, attracting the nation's best due to its AAA rating. We believe the gallery should be a 'window to the world', providing the local community access to the highest quality visual art experiences. Your bequest could secure national exhibitions which may normally bypass a regional centre.

Educating and inspiring through Public Programs

Bequeathed funds may also be used to directly support programming initiatives for children of all ages, including education programs, lecture series, school programs, artist-in-residence program and cultural events.

MAKING A BEQUEST

If you are planning to make a bequest to the gallery, we invite you to discuss your intentions with us. We would welcome the opportunity to thank you personally, and make sure your specific wishes are understood. In confidence the Artspace Mackay Foundation can work with you and your solicitor, to enable you to contribute to the future of Artspace Mackay through your estate.

If you are considering leaving the gallery a gift of art, we encourage you to talk with the Foundation. Artspace Mackay acquires works of art in line with its collection policy and our curator can discuss with you the gallery's collecting needs.

To include the Artspace Mackay Foundation in your Will, the following wording is suitable:

"I bequeath free of all duties and charge the sum of \$ [amend accordingly for assets or estate residue] to the Trustee for Artspace Mackay Foundation for the general charitable purpose thereof and I declare that the receipt of the Secretary of the Foundation shall be sufficient discharge to my executors."

OR

"I bequeath free of all duties and charge my art work[s] [include description] to the Trustee for Artspace Mackay Foundation for the general charitable purpose thereof and I declare that the receipt of the Secretary of the Foundation shall be sufficient discharge to my executors."
