Celebrating 10 Years!

What is the Artspace Mackay Foundation 'Hands On' Bursary?

This \$4000 Bursary has been initiated to support and encourage young people aged 17-25yrs, originating from the Mackay Regional Council Local Government Area, who wish to pursue a career in the arts. The bursary pays tribute to one of Mackay's celebrated artists, the late Rick Wood and recognises his service and enthusiasm for the arts.

What are the eligibility requirements?

To be eligible for the 'Hands On' Bursary, you must be a local resident of the Mackay Regional Council Local Government Area either currently studying, or have applied to study a recognised arts tertiary course in 2019. This includes any aspect of visual arts or creative industries. Students do not have to be studying in Mackay to be considered for the bursary, however they must ordinarily be residents of the Mackay region. Applicants must also be available for the presentation date if successful.

What do I need to apply?

All young artists interested in applying for the bursary must provide the Foundation with a letter outlining why they should be considered, a resume of artistic achievements, and a disc containing images of works. Year 12 students are also required to state which university course they will be seeking acceptance to, or for applicants other than school age to provide previous tertiary education, and current course information.

How can I use the Bursary Funds?

The \$4000 'Hands On' Bursary may be used for tuition fees, textbooks, equipment or expenses required as part of the student's studies.

What is the closing date for applying and notification date?

Applications close on Monday, 21 January, 2019, with the successful applicant announced in early February 2019, following confirmation of university places.
