

# BMA KIDSPACE AT HOME!

## Rosemary's Recycled Bottle Shakers!

Ready to make some art and music? Artist Rosemary Payne was inspired by her grandsons love of music and has created some fun shakers.

### 1 Collect required materials:

- Recycled plastic bottles
- Rice/pasta/small pebbles  
(any item from around the house and garden that will fit in the bottle)
- Coloured paper
- An assortment of coloured collage material
- Scissors
- PVA Glue
- Sticky tape

### 2

Fill your bottle with your noise making items and place the cap on securely.

### 3

Be creative with your design! Use different colours and materials and stick them onto your shaker bottle.
